My Dear Friend,

I should have
written at once to have
acknowledged the arrival
of your beautiful volume,
for which & for its kind
inscription I desire most
heartily to thank you, had
I not been on the point
of going out of the house
as the post came in.

To hear Mrs Kemble's
Mar. beth.

Mrs Chapman has been
for a week or two in
Chauncy Street & I took
in the volume at once.

I shall be delighted
to see R. D. W. & shall
do all in my poor power
to contribute to the pleasant-
ness of his American visit.
My niece Anne Deane who
is now in Salisbury with
her husband, or who was at
the last date, & who had
seen Mr Webb, says he
was to sail on the 8th
(that is today) & in the

Cum gratias. I wish I
should know as he or
Miss Estlin coming in
any where.

Please write the
moment the traveller arrives,
or you hear any thing
of them & greatly oblige

Your affectionate

A. W. Weston

I congratulate you
on dear Fanny's recovery
